JOIN OUR SUMMER STAFF!

A MEANINGFUL SUMMER

Tapawingo is a Christian girls camp located on an island in the beautiful Adirondack Mountains of upstate New York. Working on staff with Tapawingo, you will get the opportunity to serve and lead young girls, develop biblically based friendships, and enjoying Lord's presence in His beautiful creation alongside a Christ-centered community.

Faith

Our hope is for you to grow in love and understanding of the Lord this summer as you work at a camp centered on Christ. As you have the chance to lead and serve others, our goal is for your personal faith to grow and that you become a more joyful and equipped follower of Jesus.

Growth

Working at Tapawingo, you have the opportunity to grow spiritually, relationally, and professionally in each position. You will be investing in your personal development and growth as you take on the leadership responsibilities and relational aspects of your job.

Fellowship

Being a Tapawingo staff member you will get to be immersed in a joy-filled community of other Christ-followers. You will have the opportunity to build uniquely deep and intentional friendships that are built on love for the Lord and care for each other.
